

Richard Lee Warren - Gordon

Richard Lee Warren is the only actor in his family, but he comes from a long line of criminals, which means he was born to do this play. A standup comedian, Richard has performed both in L.A. and overseas. He is a co-founder of Branded Maverick Entertainment, and currently writes for and acts on a web news parody, Needless News.com. Theatre credits include: THE BOYS NEXT DOOR, THE HABITATION OF DRAGONS, DEALER'S CHOICE and EL SALVADOR. Film/TV credits include: TBS' "Conan", "Poseidon", ABC's "General Hospital" and "Wrong Turn at Tahoe". Richard is thrilled to be a part of "CAGES" and looks forward to baring his soul in this wonderful play.
